<b>Notes:</b>								
At one time, the fire dept. set up their hall for youth activities. A foosball table and air hockey and a ping pong table along with table games was available for youth.								
The city owns the building and said it should be used only for its purpose as a fire hall.								
Healthy youth activities are needed, it builds good self-esteem & team work. It shows how we should respect people & equipment & it shows how we need to								
Per the principal, youth really want to have activities other than gym night.								
Barriers to sponsoring youth activities are lack of space, volunteers to help with activities and funds to operate youth programs.

<p><b>Note:</b> Koyuk has applied for grants for a youth facility in the past that were not funded. The problem is there were no funds for a cash match. Koyuk has been planning this for 10 years. Ownership of the old Koyuk Malamute School gym was transferred to the city but there are no funds to renovate the facility or funds to operate programs. The building was vandalized in 2005. The interior was damaged and sections destroyed. The Teen Center is in very poor condition with ruined tiles from flooding, cardboard covering a window and a damaged door.</p> <p>Bingo hall (Community hall) could be used. Barriers may include lack of parent participation.</p>

<b>Notes:</b> There was a building for youth activities but it was given to a family who needed a house.								
St. Michael needs funds to build a youth facility. The city's Teen Center is small and needs major renovations to accommodate lots of kids. Teen center is used for bingo. The IRA offered Suicide Prevention use of their building.								
* The suicide prevention program comes from the State, they get \$7,500 every 3 months, depends on the quarterly reports which have to be done on time. Money goes to the city, and they've just hired a new Suicide Prevention Coordinator who works out of the city office.

Notes: Church has a small gymnasium & auditorium w/kitchen that are available for rent but church programs take priority. Old IRA office building might be used for activities but is not heated and in very poor condition and is small. bingo hall is used 3 times/wk. & is in good condition. Need baseball equipment (hats, plates, balls, bats), summer volunteers hard to find. Need a new gym, school and Covenant gyms open when not being used for other activities. Unalakleet also has had approximately 30 girls involved in Girl Scouts, and active Girl Scouts participate through the Fairbanks council, who visit for events twice a year (Contacts in Fairbanks are Bobbi Sampson, Rural Development Director, & Shannon O'Neil, VISTA Volunteer). Per Henry Oyumick: Unalakleet unofficially supports this report proposal. Feel that funds should not go toward a religious outfit. Would like to see support for traditional values (ex: speaking the language) and where kids are informed of and collaborating with elders in traditional ways.

<b>5. Kawerak, Tribal Family Coordinator, Contact: Anna Oxereok, cfs.waa@kawerak.org, 664-2185, 664-2200 fax</b>								
<b>Notes:</b> The church might be used for activities but it is in poor condition and there are no funds to pay for utilities. Eskimo dancing is done (Mayor Frank Crissy and Frank Oxereok), a youth coordinator in Wales also says that there is a female basketball team, NYO going on, x-country skiing, an all-girl wrestling team, NACTEC, a dance festival, and that student suspensions are down. Also lists that there is no Thanksgiving feast in Wales, there are limited resources, and most activities happen in the school. Students are apathetic. The community needs to do more. There is a youth counselor.

SUMMARY OF YOUTH ACTIVITIES SURVEYS FOR ORGANIZATIONS

WHITE MOUNTAIN (continued)								
ACTIVITY	Age Group	Frequency	Cost Funded by	Facility used owned by	Condition	When Available	# of paid staff volunteers	Planned activities for coming year
7. Naqiaqsrat Library (City), Box 130, WM 99784 Contact: Edward Silcox (not currently working), 6383411, fax: 6383421								
Reading, story hours, homework, puppet shows, songs	all ages	2-3 x/wk	\$20,000/yr: grant from city office, library Institute of Museum & Library Services, Public Library Assistance Grant.		good	4 evenings/wk 6 days/wk	1 staff 12 volunteers	Saturday Reading Club, Summer Reading Club
8. WM Native Corporation, Contact: Roy Ashenfelter The WMNC contributes approximately \$2,000 a year to youth related activities, usually in conjunction with the city and IRA. Funds have been used for supplies for youth events, youth travel, etc.								
9. Contact: Thiry Titus, thiry47@yahoo.com, 638-2019 yoga, pilates, aerobics								
	16th grade, adult	2-3 times a week	\$1,000 x 2 per year for prizes and supplies	NSHCorp CAMP Department funding	adequate (over filled, conflicting schedules)		1 volunteer	3x weekly classes
<p><b>Note:</b> The TFC program would like more parent participation volunteers; needs more funds for supplies to increase variety of activities. Has been trying to start a Boys &amp; Girls Club. Barriers for youth activities: funding &amp; lack of staff. No facility for music lessons. Students performed at many community, church &amp; school functions. Many students would like to continue lessons.</p> <p>The city owns the old clinic building that might be a possibility for youth activities but needs extensive repairs (water damaged floor, foundation &amp; walls) &amp; there would be no maintenance funds. There is an old church but burned 5 yrs. Ago, would need extensive repairs, maintenance &amp; operating costs.</p> <p>There's been lots of interest in lifting weights but none are available, would be good during the winter months.</p> <p>Community would benefit from a part-time or full time person dedicated to a youth program.</p> <p>No plumbing, damaged structure to vacant buildings.</p> <p>Need for summer youth program when young people have lots of time on their hands. Last summer 5-6 youth arrested for vandalism, drug &amp; alcohol, sexual abuse. During school year, many more activities available.</p>

**13. Other Comments**

The ones we have are fun but if there were more it would have been better.

Basketball

I really would like to see all these activities being offered to kids and adults. It would keep kids and adults out of trouble and away from boredom.

They seem fun.

Build a house for the youth to do activities.

If we do get a boy/girls club/teen center get arcades, board games, volleyball net, and all that.

Put teen center back in business.

**13. Other comments:**

Always have to leave Diomedé to do things.

Teen dances.

It's fun.

Leaving Diomedé to see things.

I think youth activities would be great and might be fun to do. But the most thing I like is teen dances. Teen dances are fun.

I want to see more activities in Elim, Alaska.  
 Skin boat making, carving, making tree home.  
 Their great, but more would be better.  
 Most of those things on the list but some  
 I appreciate it for you to help us.

Need more activities!  
 Hi  
 I want volleyball for 6th grade on up.  
 If this happens then it would make the community  
 really happy & healthy.

**9. What students would change.**

Hang outs with games and music	Do away with gym lists	Snack shop
Art class in school	Add swimming pool	
More activities for kids	More dances (2)	
Only open gym; more gym time	No dance lessons taught (Eskimo dancing)	
Get a teen center with pool tables	Arcade games	
Open gym when school is out.	Detention after school instead of gym list.	

Take gym list off--it is our only activity and when our name is on it we get angry, frustrated, or depressed.  
 Add trail on our mountain for skiing and snowboarding.  
 More dances during the weekend, game nights on weekends, outdoor basketball court, swimming pool, study groups and other sports played outside. I would have some of them once a week.  
 Playing games like baseball, volleyball, and other people might be interested in the gym for all ages.  
 I would take off the gym list because the kids deserve gym during the evening after a hard day's work in school. Without the gym being open in the evenings we would have nothing to do before we go to bed. I would add a swimming pool for all ages and a place where we could gather as a community to discuss the matters we have for the future.

**13. Other Comments**

Open the teen center

We need more activities in our village. The only activity we have is gym night and there is nothing else us kids can do. Whenever we don't have anything to do, we get into trouble.

We need some place to hang out and some things to do.

The games and dances in the gym seems to interest a lot of people.

Would want swimming pool, outdoor basketball court, a teen center.

The activities so far are pretty good in the community, but there is no much to do after gym closes, after Yupik dances, teen dances. All we need is a place to gather for games and/or hang out.

We need a lot of community activities in our village besides open gym. I hope to see a lot of activities in the future.

In Gambell there are only a few youth activities that happen once in a while. We need a lot of activities to help prevent vandalism.

Don't have any!                                      Get them started right away!                      Cool.  
 It's boring, need a hang out place.                      I can't think of anything right now.  
 I would like to see some more activities added and the community cooperate more.  
 It'd be awesome if we could have activities. That would keep the kids off the streets when their parents are at Bingo.

Cool, cool

Great Survey!!

More safety things like riding around in vehicles.

Everything is planned out for activities.

It would be nice and fun to do them more often.

I would like to see more activities for youth. Fun things that they will be totally into.

I would really like to see our community participate in all the checked activities.

More activities for youth, something they would be totally into.

I would like to see this community participate in building an age ground teen center with other games than just pool.

snowmobiling.

These would be cool.

Some of them are so fun but when it's with a few people it's boring!

**DO MORE ACTIVITIES PEOPLE!!!**

**13. Please add any comments you want to make about youth activities in your community.**

Youth group!  
 Village clean up in Savoonga, it's really dirty!  
 It would be great if there was an outdoor basketball court for next summer.  
 Our youth activities now are sort of boring. Need more activities.  
 Open gym during summer break.  
 Village clean up.  
 Some village cleaning.  
 Youth activities in our community is a great idea because we need more and more things to do here in our community during the summer. I like getting things offered to our community.  
 We need more places for youth to hang out, play arcade games, play pool. We need a gym for the youth in the summer, coffee shop, small resort for skiing and snowboarding. Youth and elder camp (Kangii), more survival skills, life skills, job openings for students anywhere, leadership program, and doing cultural activities and subsistence for the youth.  
 Want more activities.  
 Our community should build us a basketball court for our youth.  
 There used to be teen night, but not that much anymore because of all the kids nights.  
 It would be fun to have some more youth activities.  
 I think that these activities would help the youth from having a negative behavior. Also from trying to commit suicide.  
 Snowmachining, volleyball, basketball, and playing out.

**13. Other Comments**

It's a good town.  
 Just volleyball.  
 Ice Hopping-2  
 NYO  
 A place to hang out for older kids.  
 Lived in Teller for summer.  
 Dump my trash only.  
 Need more  
 Place to play Halo 2 (linking up)  
 TV, PS2, Games  
 I would like the IRA to open up the pool hall again!! There can be more sponsors too.  
 Watching DVD movies. Playing Playstation games. Playing cards.  
 Volleyball is fun.  
 I wish we could do all these things.  
 Baseball I would like to play against other community  
 I would like to see everything on this survey happen.  
 Basketball court. Pick up trash. Baseball  
 It's the best.  
 Need more places to go and activities to do. We only have a few places and they don't open very often. We need a pool hall or a teen center.  
 Have t.v., dvd, xbox, ps2, board games, puzzles  
 We need more!  
 There is usually nothing to do with the community  
 IDK (I don't know)  
 Pool Hall  
 Pool Hall, Hunting, Survival Skills  
 somewhere to hang out.  
 I like to sewing in class.  
 Pool hall (games), Rec Center during the summer break  
 Teaching hunting & survival skills through out all the seasons.  
 I would like to see more youth doing activities and cooperating with one another.

But we don't really have activities.

I'd like to see vending machines. I'd even like to see a building full of bunch of computers so we could have free time to go on the computers.

I'd like to get new school, get open store in the school. Get a vending machine. Get more laptops, new desks and pop machine.

Have more games somewhere else. Competition with different sites like basketball or baseball.

Let us travel.

New Basketball Court.

Have a safe life!  
 We should open the Teen Center so kids can go there and not be bored.  
 Would like new game in the teen center, computer in the teen center, new court, new play ground.  
 Please have a hang out place or a Boy's and Girl's Club in town. There's always nothing to do here, so it would be sooo much fun and would be really appreciated by youth.

Anything to keep up occupied  
 change the game in the community and make more fun games  
 change it from once in a while, to daily  
 make it for adults and kids, everyone!  
 gym schedule (same thing everytime b-ball)  
 this village needs activities for kids  
 mainly open gym, no activities  
 there isn't much offered in St. Micheal, just go to Liberty Café and open Gym  
 We don't have any fun in St. Michael!

note: activities listed were added to list above

Football- 1

Mui Tai - 1

Play Outdoor Games- 1

**13. Other Comments**

Change St. Michael wrestling coach.

Learn how to speak Yupik and make beads.

We hardly have any kind of activities for people after school in the village.

Clean the community for high travel around the district team.

Would someone take us guided hunting?

I like the one's I do.

I would like to have more fun and activities.

Need more help with the activities.

More and better activities.

I'd just like to see activities.

Just open gym, need way more activities to do.

This is cool, this uh survey it better work!

Some of the activities people say they were going to do, doesn't even happen sometimes. And I would like to see them happen instead of them just talking and not doing what they said.

would like to do language.

We have nothing to do all the time. It's been like this for many years and all the people are tired of it.

Bingo is going way, way, way, way, way too much!!!

What activities do they offer anyway.

I would like to see new things happening in own community.

**13. Other Comments**

These activities make me want to go crazy because these games are my favorite things to do. They make me go nuts because if they make me go nutes, I will be attracted to those activities. I sometimes like the activities the community has to offer. We don't have enough activities and it makes it a little boring. I really liked the questions someone wrote. The community should have something to offer to do every day in the hall or school gym. This is all I need to have in our youth activities I like my youth activities in my community I would really like to see these activities happen in our community Thanks! Just would like to see one or some of these activities I would like to see a lot going on in our community because we can have a lot of fun with a lot of people. People in our community will have a lot of fun. They do the same thing every year. Teach us how to make seal skin boats. Cool! Please help stop BINGO! Too much bingo. The teens need more activity. We need more things to do besides eskimo dancing and bingo. I would like it to be fun games.

**Wouldn't be interested in:**Swimming

**13. Other Comments**

I would like to do cultural things..

I want to see carpentry, weightlifting and archery.

Make it not boring, make sure pop does not run out at the store.

I would like to see some more activities going on in the community.

I like to go fishing, boating, camping and probably a lot of other things.

Do more stuff with youth.

Boy's & Girls Club

We need more activities in our community.

Offer more activities other than the gym. That's all they offer and not everyone goes to gym.

I'd like to see an activities night where others may paint, bead, sew & more things. The Eskimo Games around Christmas is okay.

There's nothing to really do around here except go to the gym nights at school or join a sports team at school.

Need more basketball CAMPS

I would like to see kids have more activities with culture and stuff like that.

Keep up the good work keep on beading, sewing & dancing. Keep speaking your language.

Rent a snowmachines.

Learn to preserve subsistence food

Basketball, Eskimo Baseball & fun games.

**9. What students would change.**

More games and more gym time for little kids/high schoolers since we're so crammed in school time we have less time for shooting around, playing around, because either the big kids or adults started a game of basketball or it's practice time.

I would just like to have some type of military training or something related to that offered here.

I like everything but I would add football.

More opportunities

There's barely any activities.

### 13. Other Comments

We should have more activities involving family.

They offer a lot and it's fun.

The activities are okay we just need more.

Some of the youth activities are fun in our community.

There are activities, but not as fun as they could be.

Some of the youth things are fun.

I think that this is a great thing to do.

We don't have much options, so more kids tend to smoke or drink. And if we do have games or activities, they're usually not that good.

Youth activities in the summer would be fun because nobody has anything to do.

Our community offers the right activities already, which are the ones I checked, "Would like to see offered" above. What I marked as "not interested" are activities that are passed on in the families or just too stupid to try to make an activity around here because anyone can do those on their own and not enough interested in them anyway.

It's all good, okay and fun.

I think they do an awesome job as it for youth activities but however they don't have enough of it. I mean come, on, 4th of July is fun, but what else is there?

We should have more opportunities.

I hope the kids pty a lot during the summer. I need more time! It's fun getting involved but it's cool seeing others interact too.

I like them...

13. Other Comments

Please: Make there be cell phones and satellites here!!! Bye  
 I don't know.

It would want a boys & girls club. There's no where warm to hang out w/ our your friends. It would be cool to have an hang out place besides washeteria.

Try to make it happen. We need them!! Thank you

I really would like to see guitar lessons, rock climbing, computers and better basketball here in our village.

None

Should try to have more and not only on one age group.

Would like for the City to straighten up and do their work properly. So that Wales wouldn't be so poor depressing.

**13. Other Comments**

We need more activities.

I'd like to see some baking and cooking lessons.

There are hardly any. I think there should be the W.I.A. Kids Jobs program, like JTPA.

We need better things to do, more fun ones.

They are un-interesting.

They don't do youth activities during the winter.

We need better activities, more entertainment!
