

Behe, C., R. Daniel and J. Raymond-Yakoubian. August 2021. List of some event presentations, discussions, and products produced during the development of the co-production of knowledge (CPK) framework. ICC Alaska, the Pew Charitable Trusts and Kawerak, Inc.

List of some event presentations and discussions and products produced during the development of the co-production of knowledge (CPK) framework
American Geophysical Union, Fall meeting. Co-production of knowledge: An Inuit Indigenous Knowledge perspective. Presentation and discussion. New Orleans, Louisiana. December 11-15, 2017.
Joint Ecosystem Assessment Expert Working Group (PAME) and ICES Workshop on the development of guidelines for Ecosystem Approach to management in the Arctic. Co-Production of Knowledge presentation and discussion. Seattle, Washington. January 9-11, 2018.
Alaska Marine Science Symposium Workshop. Understanding the Arctic through a Co-Production of Knowledge. Anchorage, Alaska, January 23, 2018.
Interagency Arctic Research and Policy Committee Coastal Resilience Collaboration Team. Understanding the Arctic through a Co-Production of Knowledge. Presentation and discussion. February 19, 2018. https://www.iarpcollaborations.org/news/10946 (last accessed 5/29/2020)
Western Alaska Interdisciplinary Science Conference Workshop. Understanding the Arctic through a Co-Production of Knowledge. Nome, Alaska, March 28, 2018.
Alaska Center for Climate Assessment and Policy, University of Alaska Fairbanks. Understanding the Arctic through a Co-Production of Knowledge. Presentation and discussion. April 11, 2018. https://uaf-accap.org/event/understanding-the-arctic-through-a-co-production-of-knowledge/ (last accessed 5/29/2020)
U.S. State Department Arctic Policy Group. Understanding the Arctic through a Co-Production of Knowledge. Presentation and discussion. May 31, 2018. Washington, D.C.
Bering Sea Elders Group Annual Summit. Co-Production of Knowledge presentation and discussion. Anchorage, AK, September 19, 2018.
Coasts and Peoples National Science Foundation virtual conference. Co-Production of Knowledge presentation and discussion. September 27, 2018.
American Geophysical Union. Understanding the Arctic through a Co-Production of Knowledge. Poster and Speed presentation. Washington, D.C., December 10-14, 2018.
American Geophysical Union Fall Meeting. Nye Lecture by Jackie Richter-Menge. Lecture and discussion, December 11, 2018.
2nd Arctic Science Ministerial, Germany. Presentation by Sandy Starkweather. 2018.
Recommended strategy for the Bering Sea Fishery Ecosystem Plan, completed January 2019 by the North Pacific Fishery Management Council. Available online at: https://www.npfmc.org/bsfep/ (Last accessed 10 July 2020).

Arctic Futures 2050 Conference. Understanding the Arctic through a Co-Production of Knowledge. Poster. Washington, D.C., September 4-6, 2019.
Alaska Fishery Science Center, NOAA. Cultural Orientation and Research Dialogue: The Northern Bering Sea. Staff training. Seattle, WA, September 10, 2019.
Bering Sea Elders Group Annual Summit. Co-Production of Knowledge presentation and discussion. Anchorage, AK, September 2019.
Arctic Biodiversity Congress. Co-Production of Knowledge presentation and discussion. Rovaniemi, Finland, October 8, 2019.
PISCES (Pacific International Council for the Exploration of the Sea), Integrated Ecosystem Assessment workshop for the Northern Bering Sea, framing presentation and discussion. Victoria, B.C., Canada, October 16, 2019.
Transdisciplinary Research on the Changing Arctic and its Global Impacts: Enhancing Capacity for Convergence Science. National Science Foundation conference. Presentation and discussion. Irvine, California, October 31, 2019.
Coastal Expert Monitoring Group Steering Committee Annual Meeting. Presentation and discussion. Nuuk, Greenland, November 3, 2019.
Arctic Observing Summit 2020: Observing for Action conference. Short statement/white paper. March 31-April 2, 2020 https://arcticobservingsummit.org/aos-2020-white-papers-and-short-statements (last accessed 5/29/2020)
Navigating the New Arctic Principal Investigator Virtual Meeting. Co-Production of Knowledge discussion facilitators. April 16-17, 2020.
Kawerak Knowledge & Research Sovereignty Workshop, (virtual) May 18-21, 2021
A framework for co-production of knowledge in Arctic research. Poster presentation at ICASS X, virtual meeting, June 15-20, 2021.
Polar Learning Activity for the National Science Foundation Office of Polar Programs Subcommittee on Diversity, Equity and Inclusion, July 9, 2021.
