City of Brevig Mission

Updated COVID-19 Guidelines

August 2021

To prevent or slow down the spread of coronavirus disease 2019 (COVID-19) the City of Brevig Mission has established the following guidelines for our residents which includes vaccinated and unvaccinated.

Intervillage travel stops until further notice, only medical purposes. Essential workers who travel must test within 72 hours upon travel and to show proof of a negative test when arrival.

Individuals arriving from outside the region including coming from Nome, that are vaccinated and unvaccinated will be required to quarantine for 14 days upon returning to the community, and will be required to test on the 14th day. The quarantine will end once there is documentation of a negative COVID-19 test result. All individuals are required to use a face mask covering in all public locations.

Residents are encouraged to maintain social distancing of at least 6 feet apart in public buildings. Residents are also encouraged to use hand sanitizer and/or wash their hands after entering and leaving public places. Please limit your visiting.

Residents that have symptoms of cough, and fever of 100.4 or higher, or diarrhea must call the Brevig Mission Clinic to make an appointment to be seen right away.

We are asking that all City of Brevig Mission residents comply with these guidelines to protect the health and safety of the Community of Brevig Mission.

If you have any questions, or need any further information, please contact Norton Sound Health Corporation at (907) 443-3311. The City of Brevig Mission can be contacted at (907)642-3851, or by email at ktsmayor@gmail.com

We are asking that all residents comply with these guidelines to protect the health and safety of the Community of Brevig Mission.
