

# Kawerak College Transition Program 2023

The survey will take approximately 8 minutes to complete. Kawerak's College Transition Program exists to assist new freshman from the Bering Strait region (including Nome) in settling into college successfully.

What the program offers:

- Pays for airfare to and from the city your college is located for the fall semester
- Gives \$500 stipend to purchase items needed for college (ie. books, supplies, personal items)
- Guidance to navigate starting college and resources.
- A Kawerak Transition Team member will escort you to campus, help get you set up in the dorms, tour the city and feel ready for college life. Students attending Fort Lewis College will receive this support as funds allow.

Eligibility Criteria:

- Must be a graduating high-school senior or a student who has graduated within two years and who will be attending college for the first time on campus. Students who have completed dual-credit courses or who attended online classes are eligible to participate.
- Must meet all eligibility criteria for Kawerak or Nome Eskimo Community's MyCache scholarships, and all documents must be submitted by the deadline
- Must be a tribal member of Kawerak's Consortium of Tribes (Nome Eskimo Community members included!)
- Students must be attending University of Alaska-Anchorage, University of Alaska-Fairbanks, University of Alaska-Southeast.

**APPLICATION DEADLINE IS May 15th, 2023.**
