PUBLIC SERVICE ANNOUNCEMENT

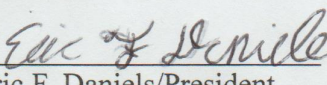

ELIM TRAVEL GUIDELINES AMENDED

Effective 12:01am, Monday April 05, 2021, the following guidelines to Elim have been amended:

1. If vaccinated with either the Pfizer, Moderna, or Johnson & Johnson vaccines, you will no longer be required to test upon arrival. You must provide your vaccination card (or documentation of having been vaccinated) to the City of Elim officials on arrival. If you do not have your card, you must test on arrival and quarantine. NSHC still recommends testing on arrival, even with the vaccine, you may be asymptomatic and could unwittingly spread the virus.
2. All other guidelines will remain in effect. Non-vaccinated individuals will need to quarantine for 14 days, or test on the first and seventh day and quarantine during that seven day period until two negative test results are received. If you have had COVID-19 in the last 90 days, then quarantine is not required.
3. To those traveling to other communities/villages, contact the city and check their mandates.
