Dear Higher Education Scholar,

Kawerak is pleased to announce our Project REMOTE! This project provides Kawerak with the opportunity to assist regional tribal members who live and attend school in-region, who are awarded a My-Cache.org Higher Education Scholarship (from, BSSD, Kawerak, NEC, NSEDC, NSHC and/or Sitnasuak) and are working towards their post-secondary degrees via Distance Education with internet to support their learning efforts each semester.

If you are starting your Post-Secondary goals via Distance Education, and you are in need of a computer as well, please let staff know.

This service will be provided to Scholars on behalf of Kawerak and the Alaska Native Education Program (ANEP) Grant-Project REMOTE. Scholars are required to use this resource to advance their education. Eligible Scholars will need to apply for this service by emailing this completed Higher Education Internet Agreement to [projectremote@kawerak.org](mailto:projectremote@kawerak.org), along with a Release of Information (ROI), so that we may verify your scholarship award. By signing this agreement, you, the Scholar, agree to send us your transcripts for the semester (s) in which we are providing your internet for Distance Learning.

**Internet Agreement (Please initial):**

- It is up to the student to setup internet services and communicate with us their internet provider company name, their account number and the name of the person the account is under.
- For new services with a provider: Kawerak will pay for initial set-up fees and can assist in a small amount of past-due fees to bring Scholars account current so that they may participate in the ANEP Project REMOTE.
- Already have an internet provider? Kawerak will pay for the current internet fees for the semester awarded.
- Kawerak will not pay for your internet when you are not taking classes. Example: Spring 2021: we would only pay the internet costs for the five months of Jan, Feb, March, April, and May.
- Kawerak will pay for internet services in one lump sum per semester to the eligible Scholars internet provider.
- You will have to reapply each semester.
- Kawerak will only pay for the internet portion of the bill. Kawerak will not pay for any current late fees or additional charges.
- Students will be responsible for sending Kawerak their initial internet invoice at the start of every semester, at least 10 days prior to the payment due date. If Kawerak does not receive your invoice- Kawerak cannot make the payment.
- Payments are made directly to the internet provider. If the student is using an Internet Service Provider that only provides receipts to the account holder, it is the student's responsibility to forward proof of Kawerak's payment to Project REMOTE staff within 72 hours (3 days). Failure to forward receipts will result in Scholar not being able to participate in the ANEP Project REMOTE again. (Internet will not continue to be paid for by Kawerak.)
- Kawerak will not pay for internet if internet is covered by another entity or if Kawerak is already paying for internet services (employee stipend or other Kawerak internet coverage opportunities).
