ADDENDUM #4

Item #1

RFP Section I SUPPLIER SELECTION CRITERIA bullet #2 PAGE 4

Replace bullet #2 with the following:

2. Responders need only answer the questions up through and including 3.3 of Form AIA A-30 A305 and be acceptable to Kawerak.

Item #2

RFP Section III Project information, xi Mechanical, number 10

Replace number 10 with the following:

10.) Provide complete HVAC system that complies with USDA and code requirements for the local jurisdiction. Provide complete plumbing system compatible with the local vacuum waste system and complies with USDA and code requirements for the local jurisdiction. Coordinate with local utility operators to ensure compatible plumbing equipment is selected, sized, and properly installed to meet the requirements to tie into the local vacuum waste system. The module shall accommodate the AV2/AVD2-13 sump or approved equal. See attached. Mechanical systems shall include heating, cooling, ventilation, refrigeration, plumbing, roof drainage, and fuel oil supply.
