
Starting a Business?

We can Help! Virtual Workshop

Are you thinking about starting your own business? This workshop was built for you! We will cover basic issues when starting a small business such as business licensing, legal forms of business, business record-keeping, hiring employees, business planning, and access to financing. Let Jennifer Adams from Alaska's Small Business Development Center help guide you through the process of starting a small business.

To register, please complete the contact information below and email to abioff@kawerak.org or fax to: 443-4445.

Name: _____

Address: _____
