# VILLAGE OF SOLOMON

## LOCAL ECONOMIC DEVELOPMENT PLAN

### 2016-2020

#### **2016 Top Priorities – Jointly approved on 4/26/2016**

1. Obtain a tribal community hall/office in Nome.
2. Expand and improve our ICWA services.
3. Assess effects of climate change and collaborate for Salmon enhancement and testing in Solomon.
4. Fully effective operation of the Solomon Bed & Breakfast (business plan, obtain land, tourism development, gift shop, alternative and renewable energy).
5. Create and manage our own transportation program for Solomon (roads, boat harbor, airstrip).
6. Improve our language resources in our dialect (immersion school, educational resources, writing children's books and Solomon history books).
7. Improve access in public schools to learn tribal government, Alaska Native history, and math and science using our environment as a tool.
8. Advocate for restorative justice and tribal input into culturally appropriate sentencing of our tribal members.
9. Work with other Nome-based tribes to develop culturally related classes and activities for all ages to pass on cultural knowledge and promote wellness.
10. Improve education and enforcement of land use rights in and around Solomon.
11. Clean up land and old church site, improve drainage, and add historical markers in and around Solomon.
