June 7, 2020
The Community of Wales will mandate the following measures to fight against COVID-19 Virus as follows:

1. Essential travel shall consist of personnel to support critical infrastructure or for critical personal needs. All non-essential inter village travelers are required to: Self quarantine for 1 week if tested; 2 weeks (14 Days) quarantine if not tested
2. If/When you start feeling ill with symptoms call NSHC Nurse Line at 907-443-6411 or toll-free at 1-844-568-8773
3. People under quarantine will be prohibited from all public areas
4. Your whole house hold will have to quarantine for 14 days once someone in the household returns to village after traveling from Anchorage.
5. Social Distancing, keep away from large gatherings of 50 people or more.
6. Stay home if you are sick.
7. All passengers coming into Wales please call either City Office at (907) 664-3501, Wales Native Corporation at (907) 664-3641, or Native Village of Wales at (907) 664-3062 for your travel plans. Call during business hours from Monday through Friday 9:00am to 12:00pm and 1:00pm to 4:00pm.
8. Absolutely NO LOITERING in any place of business
9. All hunters coming in and local hunters who are quarantining can subsistence hunt. They must follow social distancing, wear PPE mask during visits and all public places of business.
10. All workers in contact with subsistence hunters coming in must use PPE masks so they will not have to self-quarantine.
11. This mandate will be made available to all surrounding Villages.

These are measures you can take to help our community against the Coronavirus – COVID19 virus from entering our community. Thanks for your cooperation and commitment in the attack of this lethal virus.

Mayor, City of Wales

President, Native Village of Wales

President, Wales Native Corporation
