

To all Bering Strait Region Artists and Crafters,

Your input and feedback is requested. Kawerak, Inc. is conducting a region wide Arts and Craft Survey. The information collected will help us identify the resources and tools needed to support artisans and crafters within the Bering Strait Region. Please click on the link below to begin the survey. The Deadline for collecting the surveys is November 1 so that we can share the data collected on the Kawerak, Inc. website by December 31. Thank you in advance for your time.
